System Enhancement: New country added in Nationality.

New country has been added in Nationality drop-down-list.

System Enhancement: Reminder message box at List Leave feature/ function.

A reminder message will be prompted on screen, if there is no leave record to be generated by the system.

IRAS Enhancement: Appendix 8B update.

Appendix 8B Section A: Date of Grant (c2) has been updated.

Bank File Enhancement: UOB Interbank GIRO v2.0

Bank file format for UOB Interbank GIRO version 2.0 has been updated.

Report Enhancement: Management Report - Employees Pay Summary Report.

Director fees will be included in Employees Pay Summary Report M1 Excel.

Report Enhancement: Management Report - Line No. Line Total - Pay Summary Report Excel Format.

EIS fields added in Management Report - Line No. Line Total - Pay Summary Report Excel.

Report Enhancement: EIS - Project Summary Report Excel Format.

Add new fields for EIS Employee and EIS Employer in Project Summary Report Excel format.

Report Enhancement: Salary Maintenance Listing Report.

Add remark field in Salary Maintenance Listing Report for HRMS.

Report Enhancement: EIS - Project Totals Report Excel Format.

Add new fields for EIS Employee and EIS Employer in Project Totals Report Excel format.

Bug Fix: Gratuity amount not show.

Issue: After executing Recalculate for 12 months figures, gratuity amount has been excluded and 12 months report amount is not correct.

The above issue has been fixed and solution will be released in version 9.9.4.6.

Bug Fix: LHDN CP8D column J amount not correct.

Issue: CP8D's column J (BIK) has been wrongly added up with column K (VOLA).

The above issue has been fixed and solution will be released in version 9.9.4.6.

Bug Fix: Management Report M9 not working.

Issue: While clicking on Generate button at Tax Relief Transaction List M9, system does not respond and report is not generated.

The above issue has been fixed and solution will be released in version 9.9.4.6.
