## Report Centre for Singapore & International licenses

Report Centre drives to increase efficiency and productivity by streamlining processes and centralizing report menu to ease your reporting needs. It allows quick and direct access to reports that are structurally business process aligned for easy navigation.

Besides accessing all reports in one place, you can preview each of the report format to ensure correct selection of required report before generating the actual output to save time.

### Important Note:

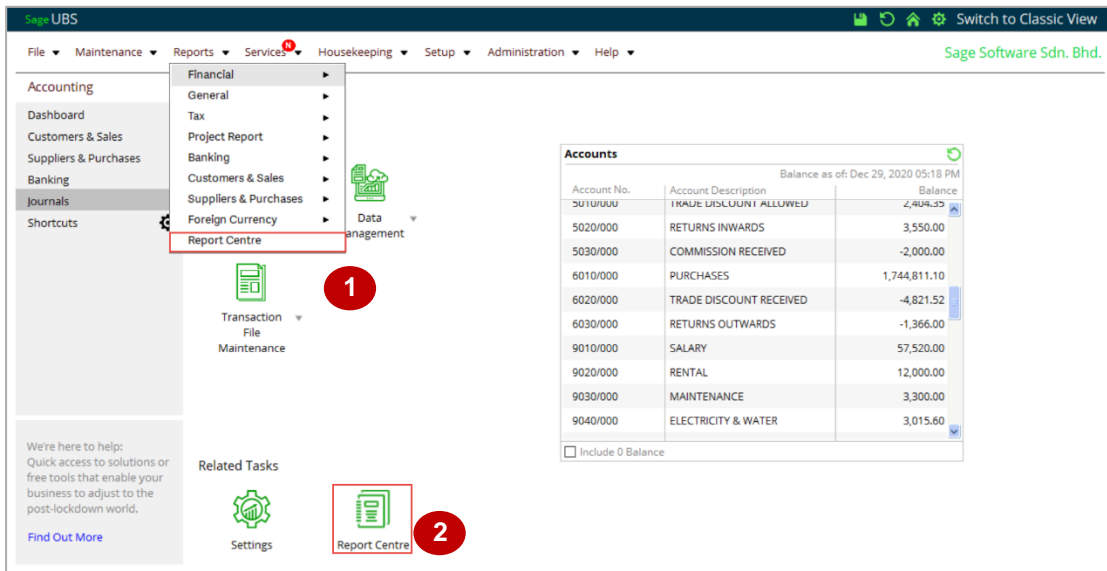

In this release, Report Centre is enhanced and made available for **Singapore** and **International** license.

### How and where to access?

From Sage UBS v9.9.5.3 onwards, you can access Report Centre via directory below:

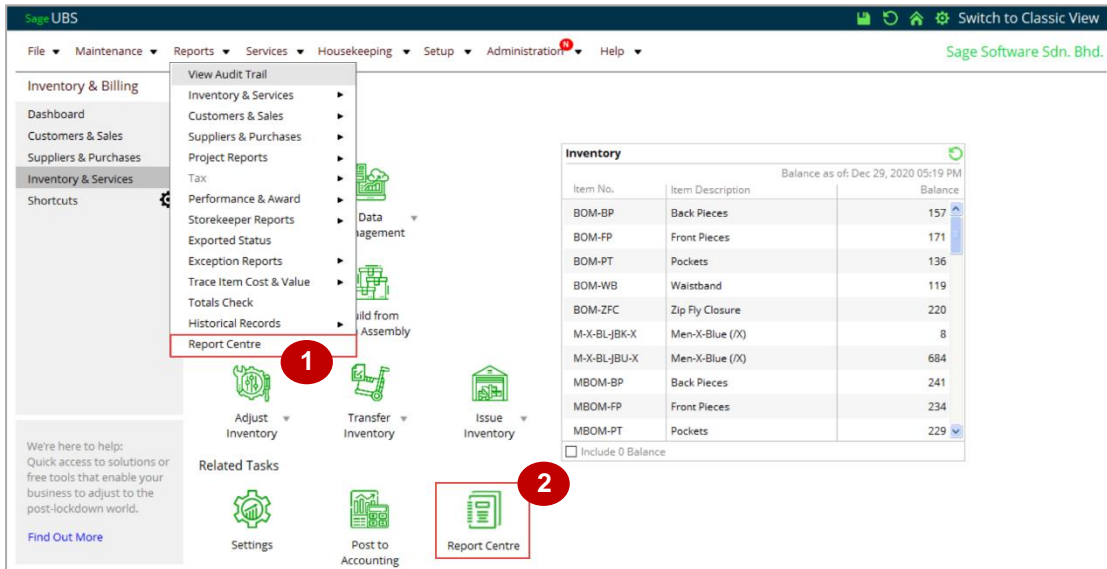

#### Accounting:

Log in to Accounting module, go to *Reports...Report Centre* or click on the Report Centre icon at respective business function page.

Inventory & Billing:

After logging in to Inventory & Billing or Billing module, go to *Reports...Report Centre* or click on the Report Centre icon at respective business function page.

## Allow all User Pin groups to view previous year data

System is now enhanced to provide the flexibility in allowing all User Pin groups to view previous year data, as long you have the right to access that company.

### Modern View

The screenshot shows the 'Choose Your Company' interface in the Modern View. At the top, there is a header with the Sage UBS logo, a greeting 'Hello there and welcome back!', a refresh icon, and a user profile icon labeled 'USERPIN1'. Below the header, there is a search bar with 'Sage' entered and a 'Sort By: Favorite' dropdown menu. The main content is a table with the following data:

Company Name	Last Login	Actions
★ Sage Sdn. Bhd.	25/02/2021 11:12:05 AM	
★ Sage Software Snd. Bhd.1	04/11/2020 10:51:27 AM	

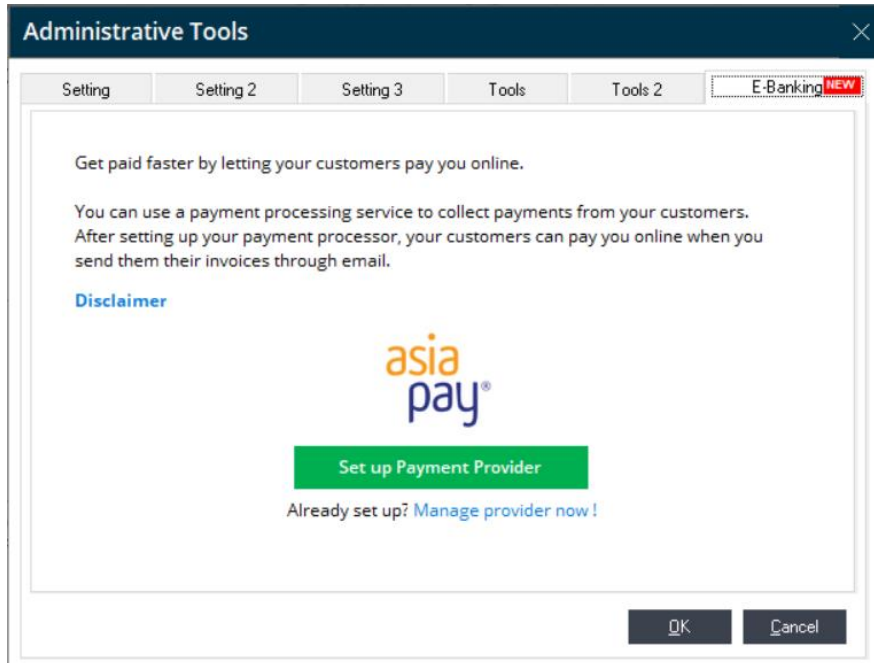

At the bottom right, there is a pagination control showing 'Page 1 of 1' and navigation arrows.

### Classic View

The screenshot shows the 'Classic View' interface for company selection. At the top, there is a message: 'If your company does not appear in the list, it is either your company has been deleted, your pc is disconnected from server or you do not have rights to access.' Below this, there is a 'Select Company' tab and a 'Control Panel' link. The main area contains a search bar and a list of company names: 'A-C D-F G-I J-L M-O P-R S-U V-Z 0-9 ALL'. A large card for 'Sage Sdn. Bhd.' is displayed, featuring the Sage logo and the text 'Last login : 25/02/2021 11:12:05 AM' with an 'Update Logo' button. Navigation buttons for 'Previous' and 'Next' are visible at the bottom. On the right side, there are buttons for 'Switch to Modern View' and 'Logout'.

## Consolidation of payment service providers for Direct Pay

Direct Pay enables you to receive faster payments from your customers. We have consolidated our Payment Service Providers for Direct Pay to AsiaPay. AsiaPay is a leading digital payment solution and technology vendor in Asia. With AsiaPay, you can offer a variety of digital payment options to your customers, such as major credit / debit cards, popular e-wallets like Maybank QRPAY, Boost & GrabPay and internet transfer like PayPal to get paid faster!
